Duty of Disclosure

I acknowledge my duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 C.F.R. § 1.56, including for communion-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application. Specifically, I am aware of my duty to disclose to the United States Patent and Trademark Office all information known to me that establishes, by itself or in combination with other information, a case of unpatentability of a claim presented in the above-captioned application, or refutes or is inconsistent with a position taken by me or on my behalf in either opposing an argument of unpatentability or asserting an argument of patentability.

Power of Attorney and Correspondence Address Indication

I hereby appoint the attorney(s) and/or patent agent(s) associated with customer number:

97110 Paran & Trademort Office

to prosecute this application and to transact all business in the Patent and Trademark Office connected herewith. Please direct all correspondence to the above address.

I bereby authorize them to set and rely on instructions from and communicate directly with the person/assignee/attorney/firm/ organization who/which first sends/sent this case to them and by whom/which I hereby declare that I have consented after full disclosure to be represented unless/until I instruct my anomey to the contrary. I understand that the execution of this document, and the grant of a power of attorney, does not in itself establish an attorney-client relationship between the undersigned and the above attorney.

I bereby declare that all statements made herein of my own knowledge are true and digit all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or ooth, under Section 1001 of Title 18 of the United States Code and that such willful false statements may reopardize the validity of the application or any patent issued thereon.
